**Letter of reference for Mr. VAN BRAGT, Antonius Maria Aloysius**

I wish to inform you that Mr. VAN BRAGT, Antonius Maria Aloysius DOB 03 January 1963, had the following part time roles at the Center for Advanced Design (CENfAD) in Kuala Lumpur.

2003 – 2007	Head of Communication Design (4 years)
2001 – 2007	Lecturer 'Advanced Communication Design Studio' (6 years)
1997 - 1998	Typography teacher (1 year)

I had the great pleasure of working with Ton when I was Academic Director of CENfAD, one of Malaysia's leading creative design schools. Ton educated and inspired many Communication Design students to become dedicated and skillful designers. His way of teaching was brilliant and inspiring. As Head of the Communication Design department he fine-tuned the curriculum to ensure it met international standards. He led the staff to greater achievements with his gentle management style. Graduates have easily found positions at leading design and advertising agencies, or went on to further their studies overseas, often with great success.
